Never before in the history of our business have we been able to show you so large a line of the new Spring Suits as this season. The styles, while similar to the Winter Suits, have a distinctive feature which marks them as Spring models. This is sure to be a hard season to duplicate cloths, as the cloth manufacturers will not make a yard of goods until they have an order for same, hence when the demand comes they cannot deliver the goods. We will be often in the market, thus being able to pick up what we need, as well as keep in touch with the new things.
